The Food for Life Canada Board of Directors is pleased to announce the appointment of **Ian Gibbons** as our Operations Coordinator. Ian is responsible for managing all warehousing and distribution activities for Food for Life and ReFresh Foods. Ian's appointment reflects the implementation of a recommendation arising from the ReFresh Foods Program Review. Ian's short term duties will include co-ordinating the ReFresh Food offers and subsequent deliveries to ReFresh Food members and the scheduling of the Food for Life food recovery delivery schedule. He looks forward to meeting all Food for Life and Refresh Food agencies contacts in the next several weeks.

Ian brings a truly diverse professional background and skill set to this newly created position, ranging from ten years as a digital arts archivist to more recently as team lead with the yard operations department at Canada's largest automotive auction. Ian wanted to make more of a direct impact in his community and has since found his way with the Food for Life/ReFresh Foods team. We welcome Ian and his hardworking attitude, attention to detail and out of the box creative ideas. We're confident he will make a lasting impact with the Refresh Foods and Food for Life programs. A Halton native, Ian resides in Burlington with his wife and nine month old daughter. Ian can be reached at (289) 681-1455 or the warehouse 905-635-1106 and [ian@foodforlife.ca](mailto:ian@foodforlife.ca)
